

TEKKN1®

Set / Zestaw TEKKN1 HORST

Data sheet / Karta produktu

EN

Double strip LED profile for installation in plasterboard. The smoothing compound penetrates through the perforations in the flanges, which ensures fast, trouble-free and durable installation.

PL

Dwutaśmowy profil LED do zabudowy w płytach g-k. Gładź szpachlowa przenika przez perforację w kołnierzach, co zapewnia szybki, bezproblemowy i trwały montaż.
